The initial fee for an Application for Notice of Authority to Irrigate Land in an Irrigation Non-Expansion Area is \$1,000.

Total fees for this application are based upon an hourly billable rate, which can be found on the ADWR web site @[www.azwater.gov](http://www.azwater.gov). If the costs of reviewing your application exceed \$1,000, you will be invoiced for the difference, up to a maximum total fee of \$10,000. In addition to the hourly application fee, the applicant must pay any review-related costs associated with the application and the actual cost of mailing or publishing any legal notice of the application or any notice of a pre-decision administrative hearing on the application. Review-related costs are: (1) costs associated with a pre-decision hearing on the application, such as court reporter services and facility rentals for the hearing, and (2) mileage expenses for a site visit conducted before issuing a decision on the application. Failure to enclose the initial application fee will cause the application to be returned.
